

## Miracle of Me Crystal Grid Class

**“I celebrate myself without fear, shame, embarrassment or guilt. I am a miracle.”**

We will build the crystal grid called The Miracle of Me which includes the message above. We will discuss the power of healing crystals and what each stone on this grid represents. This grid is part of the book Divine Grids: Celebration of Crystal Healing by Rebecca Cohen.

The cost of the class is \$35 pp (\$30 pp if you bring a friend) which includes a colored print of the grid for you to use and frame as desired. The crystals will be available for purchase at Rina’s Rocks. The list of stones to complete the grid are: Fluorite, Picture jasper, Jade, Citrine (2), Kyanite (2), Amazonite, Aqua aura (2), Tiger eye, Obsidian, Goldstone and Amethyst.

The healing meaning of this grid will also be reviewed including issues that can be alleviated using this specific grid.

We will do a healing session based on the protocol in the book so we can get the full energetic healing of this grid during the class.

We will use a technique using Kyanite or Pure Love technique to help clear the stones of any negative energy. You can bring your own stones for clearing to use on the grid. Kyanite helps to cut the cords of negative energy.

Please join us!
